

**To all parents of Crusader children,**

Well the time has come to find out what week 3 is all about !! There are five choices of streams and we need you to talk them through with your child and commit them to one of the streams. Please note that you can only commit to one stream and you will be committing for the three Sundays that this is relevant. This is essential for planning purposes and please remember there cannot be any “stream-hopping” , ( that’s how people get wet !!)

There are some useful points to consider for each stream below and I would encourage you to talk these through, so that your child get’s the most fun from what we will be doing, whilst also learning some practical applications for their faith journey.

There are some age guidelines on the streams and I’d ask you to please respect these along with any numerical limits, bearing in mind our need to plan a contingency for visitors on these Sundays.

Week 3 dates :- 13th May, 17<sup>th</sup> June and 8<sup>th</sup> July.  
Please note 13<sup>th</sup> May will be shorter session due to Baptismal service.  
Crusader birthday service:- 15 July

| <i>Ideally suited to those who already play an instrument.</i> | <i>Suitable for children of any age.</i> | <i>Team activities that will involve some exercise and may include leaving the church premises. Signing up for this will signify permission to do so, though you will be told if this is the case.</i> | <i>Suitable for children in school years 5 and 6</i> | <i>Aimed at children in years 1 to 4</i> |
| <i>No number limit</i>   | <i>No number limit</i>                   | <i>No number limit</i>   | <i>No number limit</i>                               | <i>No number limit</i>                   |

The sign up sheets are on the notice board in Ridgeway, please sign up in good time in order to avoid disappointment.

Finally, please bear with us as we trial this way of doing Crusaders, as with anything new there is potential for hiccups!! If you have any concerns or queries please give me a ring. You may well have thought of something we’ve missed !!

Thanks

Mark
