**INFORMATION**

**Car Parking – Sunday mornings**

*The Shell Garage owner has asked us, once again, not to park on his forecourt – except on the 2 or 3 spaces by the shop; however, please check each time that this is OK! Other parking at the garage is for customers only and we are in danger of cars being clamped if the problem persists and tankers cannot deliver.*

*Some of our congregation are still parking in Higher Lane, which is creating a hazard for local people and for our own members.*

*The rugby club is still available so please use it if you can walk from there in order to be safe and in order not to upset our neighbours! Thank You*
