Lymm Baptist Church

Welcome

We give you a warm welcome to our church today, especially if you are visiting for the first time. If you are a visitor we invite you to write in our visitors' book, which you will find on the reception desk; if you live in the area and would like to find out more about the church please help yourself to one of our Welcome Packs. Further information can also be gained from our website or from the church office – details below.

The children go to their own groups part way through the morning service except for all-age services when all except the pre-school group stay in church throughout; if you would like more information about this please ask the stewards. Also please ask the stewards if you would like help or advice on facilities for the disabled.

After the morning service you are invited to stay for tea or coffee, which will be served in Ridgway Hall.

Please note that Sunday morning sermons are available on CD (on the bookstall) shortly after each service and can also be downloaded from the church website (& via iTunes) shortly afterwards.
