**For details of our small groups** which meet in people's homes during the week for Bible study & prayer, please contact the church office: all are welcome to attend these.

## PRAYER DIARY

### **Grenfell Tower Disaster one year on**

There is still immense hurt, distress and anger in the local community in the aftermath of this tragedy. Please pray for local churches as they continue to offer support and hope and seek to help rebuild shattered lives. Pray also that the public inquiry will get to the bottom of what went wrong and result in justice and reconciliation.

### **The power of love**

At the recent Royal Wedding, Bishop Curry spoke in his address of the redemptive power of love through following Christ and truly loving our neighbours. Let's pray for the 2 billion people who heard that message to experience such a transformation in their lives, and that the lives of believers with whom they come into contact exemplify what he was preaching.

### **Realising the Vision: building aspects**

Please pray for God's guidance for those working on the refurbishment plans and for the leadership as they seek to determine guiding principles, weigh the different options and agree priorities and that we soon reach a point where the church membership as a whole is completely united over the best way forward. Following the leadership Away Day yesterday, please pray for the leaders as they continue to reflect on the scope and content of the refurbishment.
