### A NOTE FROM CHRIS NEWTON

Many of you will be aware of a series of meetings to be held in Lymm, starting with an event entitled "Lymm Bible Week". This is being organised by the Christadelphians, who have no links whatsoever with any of the local churches. An article about the Christadelphians and their beliefs, which differ fundamentally from mainstream Christianity, has been placed in the library. Copies can be obtained from the church office or from, [www.reachoutrust.org](http://www.reachoutrust.org).

### Bible Study Fellowship (BSF)

From September BSF will be studying the Synoptic Gospels. If you would like to learn a unique way to study the Bible through challenging personal study, lively discussion group and interesting lectures with practical applications, please come along. Wednesday mornings during term time. Crèche available. See Alison Johnston.
