An individual life can
change society.

Hector Pieterse lost his life under police fire on
June 16 1976, during a student march protesting
Afrikaans as the language of instruction in African
schools. He was twelve years old.

News of his death, and of violence that
subsequently erupted in most African townships
in South Africa spread rapidly across the world.
In his death Hector Pieterse became a symbol
of the plight of black South African youth
under the yoke of Apartheid.

DEFEND THE POOR
AND FATHERLESS:
DO JUSTICE TO
THE AFFLICTED
AND NEEDY.

- Psalms 82:3

All authority in
heaven and
on earth has been
given to Me.
Therefore go...
