

God does amazing things

with light ...

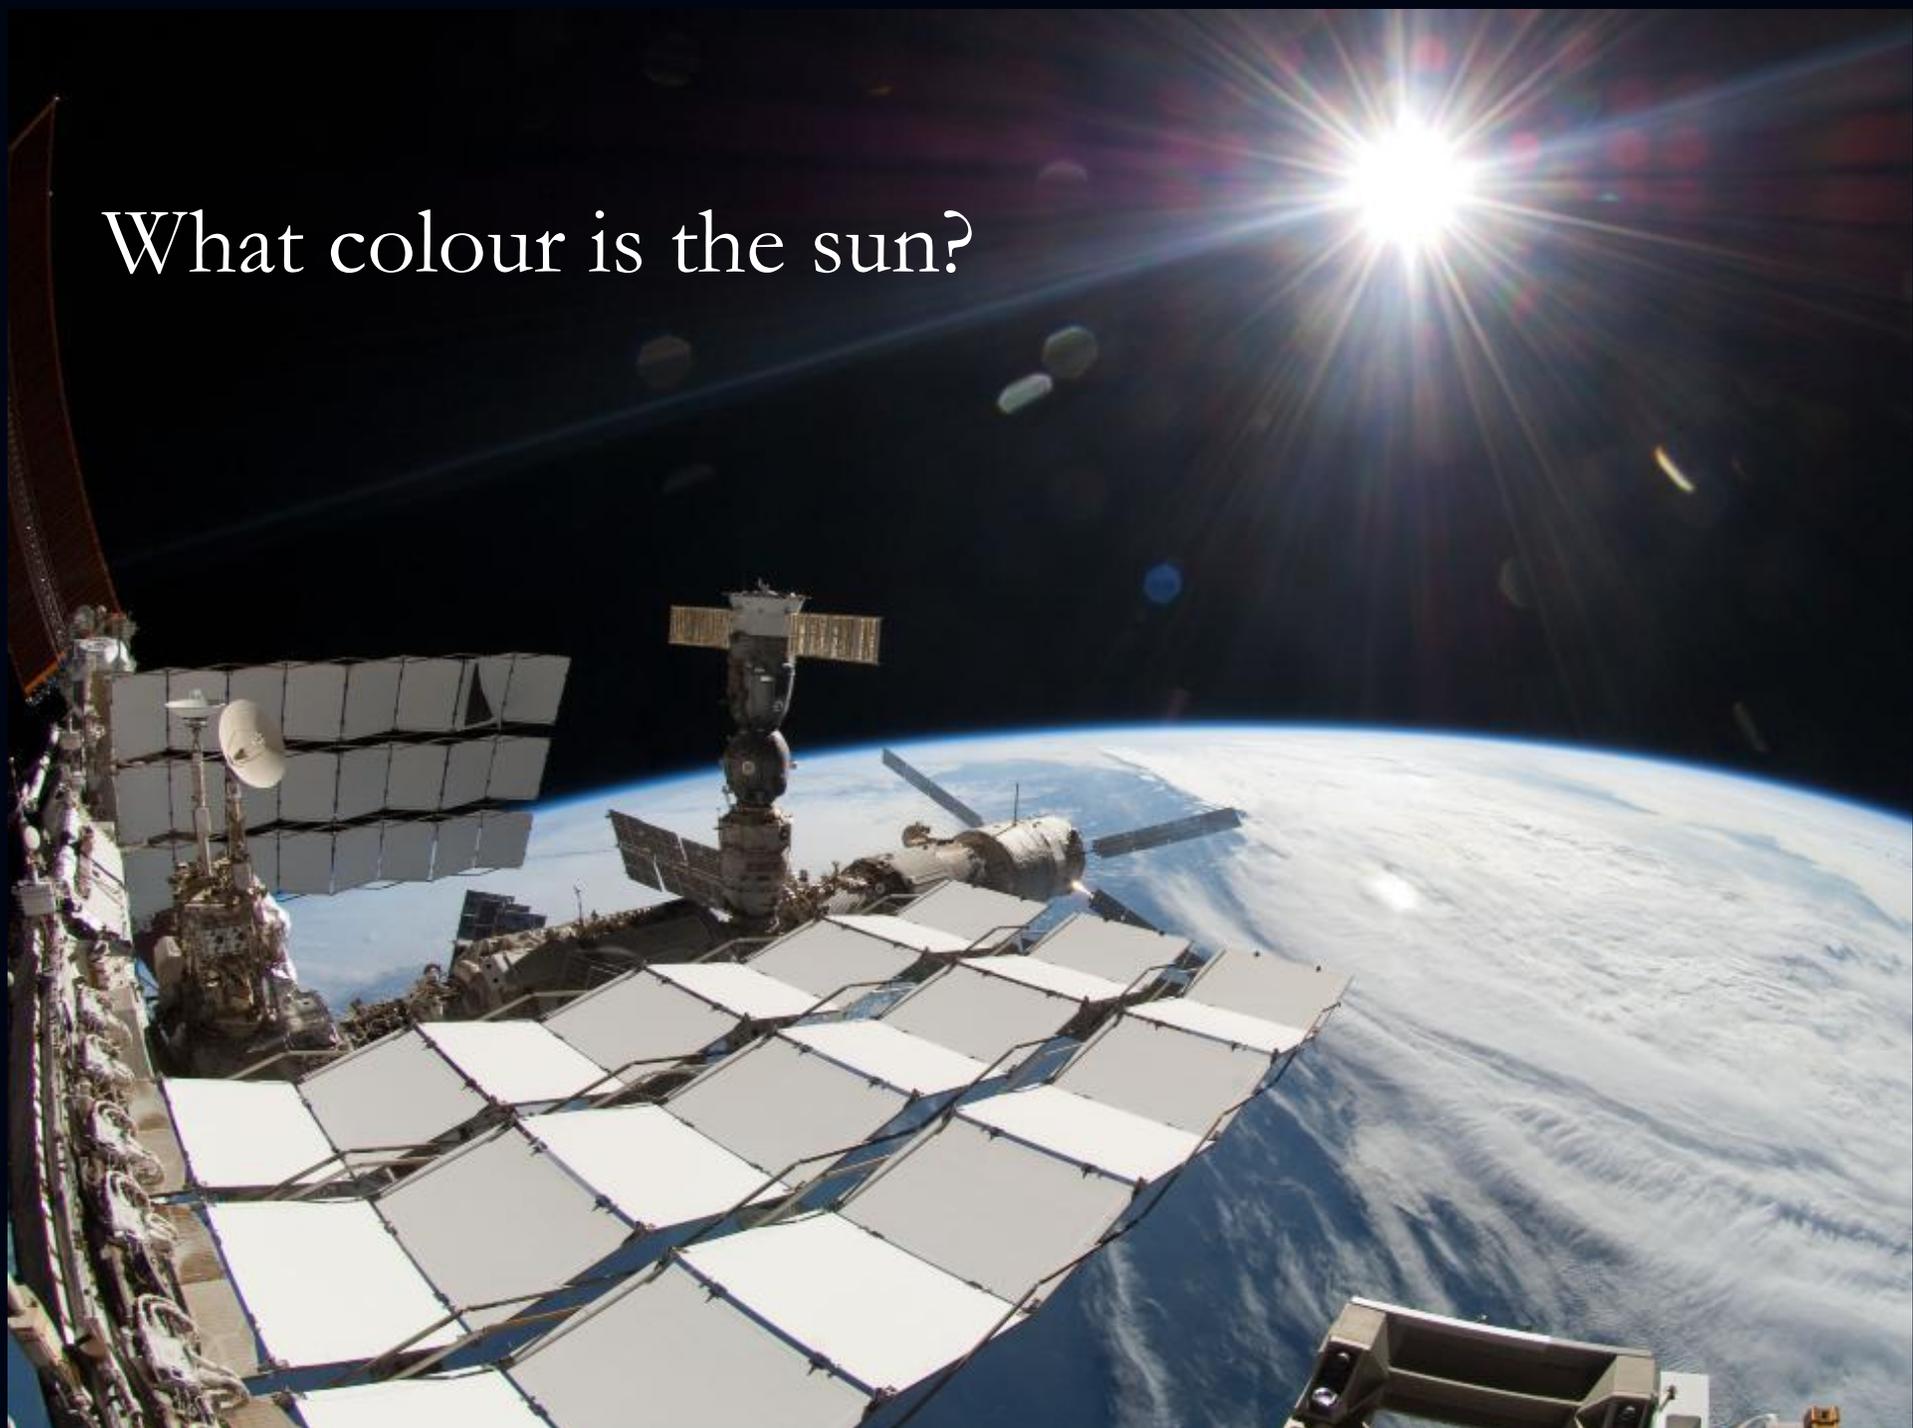

A double rainbow is visible against a dark, overcast sky. The primary rainbow is the lower and more vibrant one, while the secondary rainbow is higher and fainter. The landscape below is a mix of green grass and brown fields, with some buildings and trees in the distance.

In a double rainbow light gets reflected twice inside each drop of water - and the colours in the outer rainbow are reversed!

A deep space photograph showing a vast field of stars. A prominent blue nebula is visible in the center-right. In the top right corner, there is a rectangular inset image showing a different view of the same or a similar starry region, with a distinct orange star. The background is a dense field of stars of various colors and sizes.

Light is the fastest thing in the universe
– it travels 300,000 km in one second

What colour is the sun?

The Northern Lights happen when gas from the sun crashes into particles in our atmosphere

The Bible has LOTS to say about light too

- *I am the light of the world. Whoever follows me will never walk in darkness*

John 8:12

- *Light has come into the world, but men loved darkness instead of light*

John 3:19

- *Let your light shine before men so they can see your good deeds*

Math 5:16

- *I am the light of the world. Whoever follows me will never walk in darkness* *John 8:12*

Do you realise ...

I am a British battleship!

Do you realise ...

... I am a lighthouse!

*I am the light of the world.
Whoever follows me will
never walk in darkness*

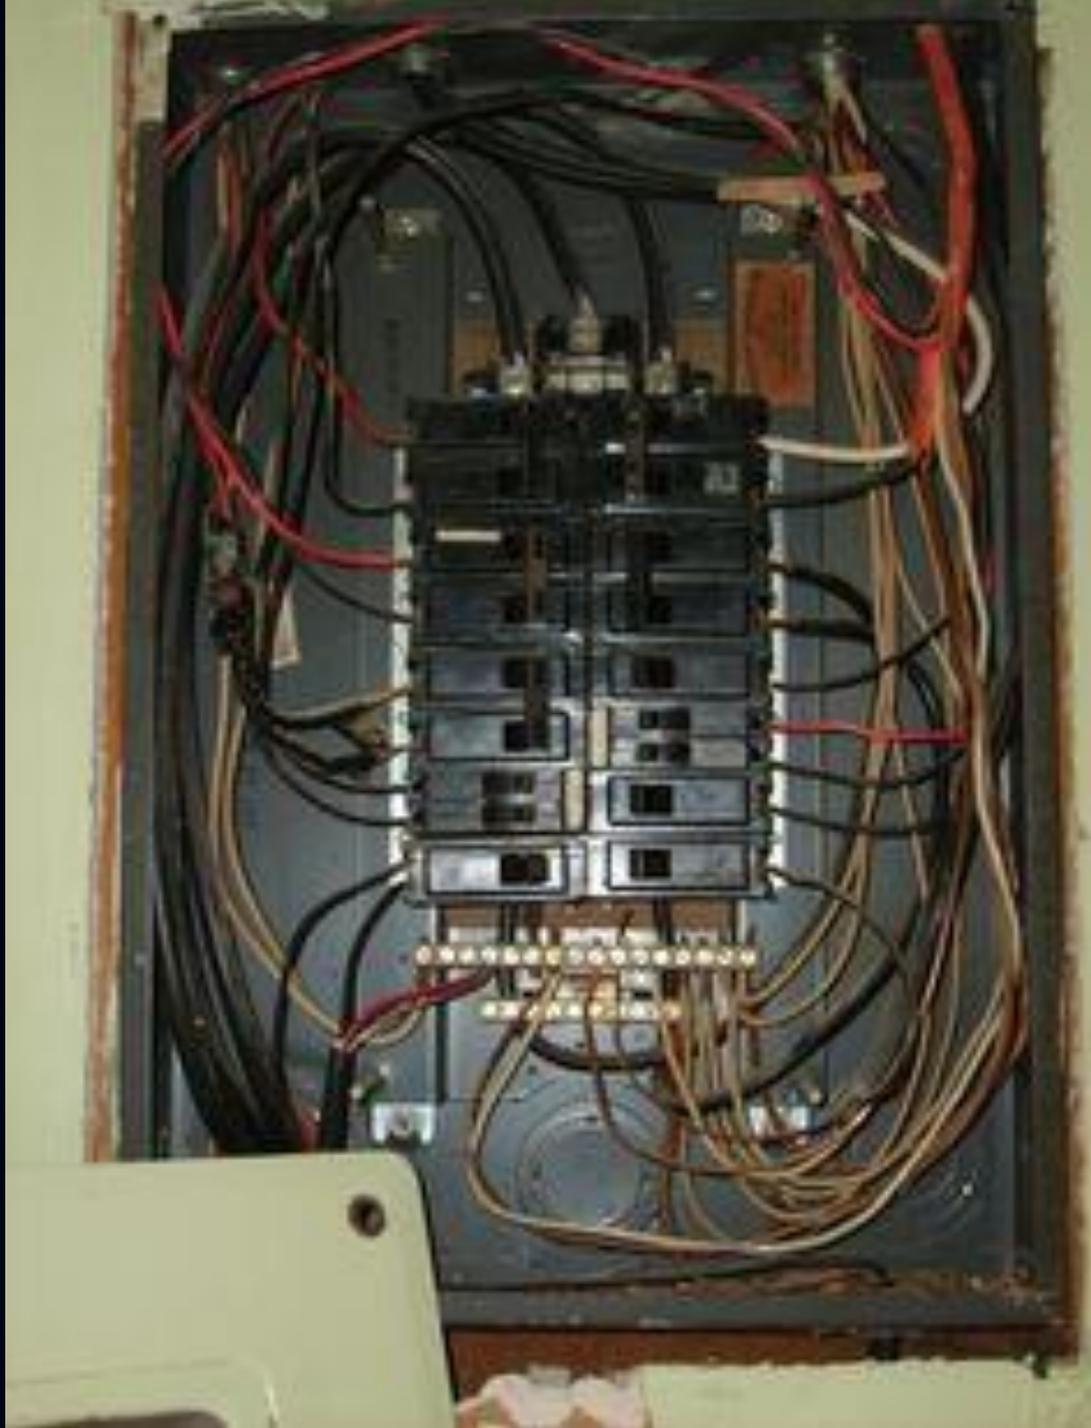

John 8:12

The House in the Dark

A dark, atmospheric photograph of a house at night. The house is mostly in shadow, with two windows glowing from within, casting a warm light. The foreground is filled with tall, dark grasses, and the background shows the silhouettes of trees against a dark blue sky. The overall mood is mysterious and somber.

The first house in town
to get electricity!

*Light has come
into the world,
but men loved
darkness
instead of light*

John 3:19

*You are the light of
the world let
your light shine
before men*

Mathew 5

Let your light shine before men

Mathew 5:16

Let's summarise everything

- *I am the light of the world. Whoever follows me will never walk in darkness*

John 8:12

- *Light has come into the world, but men loved darkness instead of light*

John 3:19

- *Let your light shine before men so they can see your good deeds*

Math 5:16

Light to guide us

Light to show us when things
are wrong

Light for us to
reflect on people around us
