

# **What can I give?**

John 6:1-13

---

- The Lord put others first – do we?
- When we are tired and hungry who do we think of first?  
Ourselves or others?

# Giving

---

- Do we recognise what people need?
- It might not be financial help, it may be your time or just the ability to listen and to share their problems.

# Giving

---

- How much will it cost?

- Is this our first reaction?
- Time
- Money
- Effort

# Giving

---

- Do we look for the solution or always consider the cost?
- Can we change how we approach a problem?

# Giving

---

The boy gave all that he had when no one else offered anything.

Are we the first ones to put our hand up or do we wait for others to make the first move?

Do we expect someone else to give when we can just give what we have ourselves?

- Our faith/gift + the Lord = An unlimited resource
- What will we give?
- Time
- Money
- Our lives
