The Perfect Sacrifice of Jesus

PURPOSE – it takes away sin

“If they could have provided perfect cleansing, the sacrifices would have stopped, for the worshipers would have been purified once for all time, and their feelings of guilt would have disappeared.”

(Hebrews 10:2)

The Perfect Sacrifice of Jesus

PURPOSE – it takes away sin

“By his sacrifice, Christ has done two things with our sin: he has put it away and he bears it away. This is first expressed in legal terms (it is annulled) and then in priestly terms (it is carried away, just as an offering is carried up to the altar).”

“He cancels the first covenant in order to put the second into effect. For God’s will was for us to be made holy by the sacrifice of the body of Jesus Christ.”

The Perfect Sacrifice of Jesus

NATURE – it need never be repeated

“The ministry of the priests in the tabernacle and temple was never done and never different: they offered the same sacrifices day after day. This constant repetition was proof that their sacrifices did not take away sins. But what tens of thousands of animal sacrifices could not accomplish, Jesus accomplished with one sacrifice forever!”

(Warren Wiersbe)

“The magnitude of this is staggering. Christ bore the wickedness, perversity, fallibility, destructiveness and sheer self-centredness of every single person on earth. He opened the way for all who come with a penitent heart, irrespective of their creed, race, gender, status, age or education.”
