The Lord spoke to Moses in the tent of meeting in the Desert of Sinai... He said: “Take a census of the whole Israelite community by their clans and families... who are twenty years old or more and able to serve in the army.

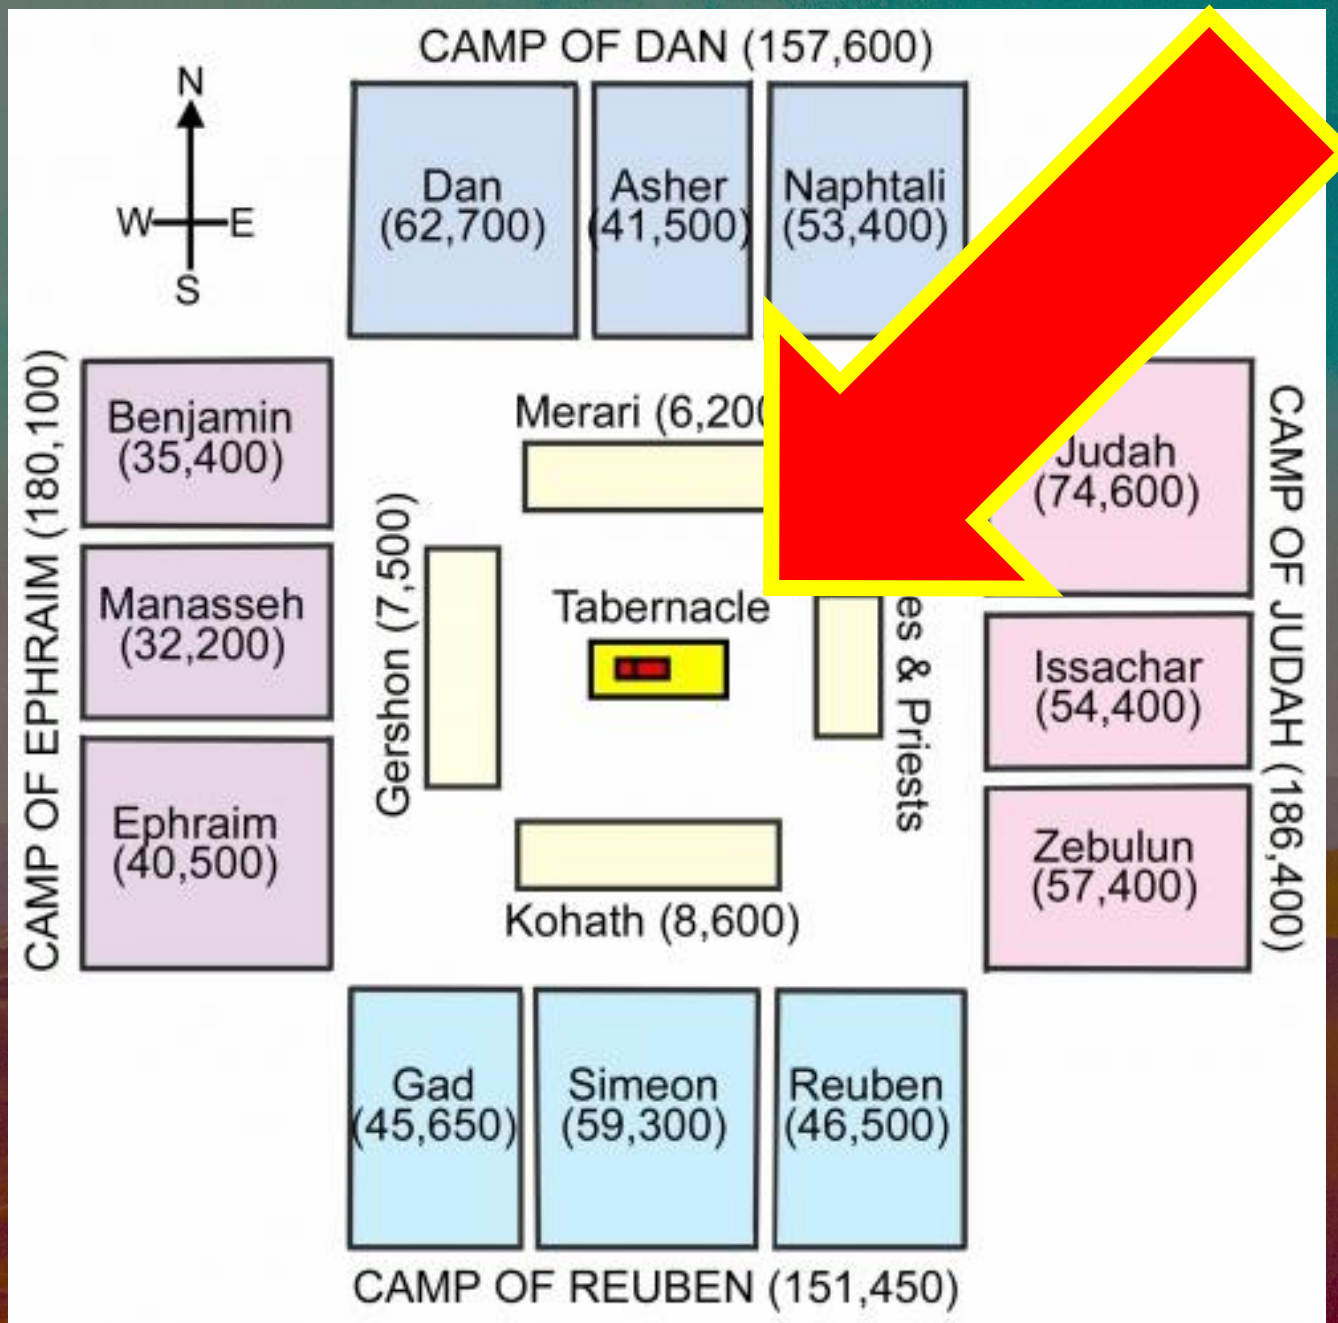

Numbers 1:1-3 (NIV)

The Lord had said to Moses: “You must not count the tribe of Levi or include them in the census of the other Israelites. Instead, appoint the Levites to be in charge of the tabernacle... Whenever the tabernacle is to move, the Levites are to take it down, and whenever the tabernacle is to be set up, the Levites shall do it.

Numbers 1:47-51 (NIV)

“Whenever the cloud lifted from above the tabernacle, the Israelites set out; wherever the cloud settled, the Israelites encamped... Whether the cloud stayed over the tabernacle for two days or a month or a year, the Israelites would remain in camp and not set out; but when it lifted, they would set out. At the Lord’s command they encamped, and at the Lord’s command they set out.”
