“One hundred years from my day,
there will not be a Bible on earth
except one that is looked upon by
an antiquarian curiosity-seeker.”

“What is it about the Bible? It just won’t go away. No book has been burned, banned or debated more vigorously over the centuries. Nevertheless, it continues to dominate bestseller lists year on year. The Bible has many critics but no rivals.”

Andrew Ollerton

“To keep you ever mindful of the law and the Gospel of God as the Rule for the whole life and government of Christian Princes, receive this Book, ***the most valuable thing that this world affords***. Here is Wisdom; this is the royal Law; these are the lively Oracles of God.”

King Charles III Coronation Bible

1. A Bestselling Book

“For all the advances of Western civilisation, nothing seems to replace the writings in the Bible. The wisdom contained in the proverbs of Solomon or the teachings of Jesus are timeless. When it comes to sacred occasions and rites of passage - births, marriages, funerals - the Bible is still our go to.”

Andrew Ollerton

2. Our Human Story

“The Bible is not a dusty book only relevant to vicars and nuns; it’s our human story... When I think I am reading the Bible, I discover that it’s reading me. As I make sense of it, it makes sense of me.”

“All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives... God uses it to prepare and equip his people to do every good work.”

2 Timothy 3:16-17

3. An Inspired Message

“You Christians look after a document containing enough dynamite to blow all civilisations to pieces, turn the world upside down, and bring peace to a battle-torn planet. But you treat it as though it’s nothing more than a piece of literature!”

Mahatma Gandhi
